

Distinctively New Zealand Paua Tiles

If you are looking for a New Zealand flavour for your home or to send overseas as a gift, Ocean Shell tiles are just the answer.

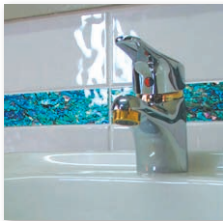

Ocean Shell was established in 1992 and has grown to be the largest supplier of seashells and shell products in the South Pacific. The listello border tiles capture all the lustrous, natural beauty of the Paua or Mother of Pearl shell used.

These come in a variety of sizes and look ab-

solutely wonderful with plain tiles either in the kitchen or bathroom.

Also available are triangle inserts, which can be added to provide that accent or area of interest, in a splash back.

The Paua can also be colour tinted. These are truly amazing colours and have to be seen, to be believed. These tiles are also available in floor quality, so if you are looking to create a "WOW" factor in your main entrance then

Paua tiles are worth looking at.
