*F*or that traditional look - try Winkleman's geometric floor collection for style, elegance, durability and versatility.

Winkleman's have been manufactured in France since 1894. These tiles can be used in a variety of settings to suit a range of architectural styles from elegant restorations to contemporary living spaces. They are suitable for interior and exterior situations and are slip resistant.

Winkleman's are a high quality range and can be found in private homes, prestigious hotels, restaurants and shopping centres. These tiles can be purchased as a kit or you can come up with your very own design. There are some amazing designs, which will create a statement in any area.

***Do call in.*** We look forward to seeing you at the Tile Centre; the one stop shop for tiling and home of Southland's largest range of tiles.
